When You Want to Know:

- —where a person lives.
- —what his occupation is.
- —who lives at a certain number on a street.
- —where a street is located.
- —the correct spelling of a name.
- —the officers of a corporation.
- —the partners in a firm.
- —the solution to any of scores of problems that pop up unexpectedly to annoy and baffle you.

—you can quickly find the answer in the City Directory.

Power of Advertising

THE CITY DIRECTORY is the power that generates information for the buyer that he may know who deals in the product he wishes to purchase. If your business is not classified properly, and a display advertisement arranged to describe your business, how can you expect the buyer to trade with you?

ADVERTISING is the foundation upon which successful businesses are built. You must apply this to your own particular business.

ADVERTISING is the power of an idea multiplied.
